INTRODUCTION

The National Documentation Centre (NDC) of NIHFV is engaged in collection, retrieval and dissemination of information in the field of health, population, family welfare and its allied subjects at the national and international level.

To facilitate its readers the National Documentation Centre has been bringing out several documentation services. "List of Additions" is one of the documentation services of NDC for disseminating information regarding new arrivals in the centre. The present issue contains bibliographical details of documents received in NDC during the year 2016-17.

Arrangement

The "List of Additions" contains 52 entries, which are arranged alphabetically by titles. Each entry contains the information such as author, title, year of publication etc. Besides these, each entry also contains accession number and call number. For the convenience of users, the "Sample Entry" is being provided below.

Any suggestion for the further improvement of this document is welcome.
