About Institute

The NIHFW, an autonomous organization, under the ministry of Health and Family Welfare, Government of India, acts as an 'apex technical institute' as well as a 'think tank' for the promotion of health and family welfare programs in the country. The post-graduate education, training, research, evaluation, consultancy and advisory services in the field of health and family welfare have been major focus of the institute. In order to facilitate continuous upgradation of knowledge and skills of various health personnel across the country, the NIHFW has been conducting training courses in different areas at regular interval. In this endeavour, the post graduate residents of NIHFW proposes to conduct an online training program on 'Introduction to Public Health system' from 23rd to 25th February, 2021.
