

TO REVIEW AND FINALIZE THE MODULE FOR THE PEER EDUCATORS FOR ADOLESCENT REPRODUCTIVE AND SEXUAL HEALTH

Director	Prof. Deoki Nandan
Coordinator	Dr. Poonam Khattar
Duration	July to October 2011 (start date and end date)

Justification and Background:

The GOI commissioned SWACH to develop training package for peer educators for adolescent health. A draft package has been prepared by SWACH based on the their experiences of Haryana Modal.

Specific Objectives

1. To review the Module developed for training of Peer Educators by the expert group.
2. To finalize the Module based on the feedback received from the expert group.

Methods and Approaches to be used

1. Work shop to Review the Module:
2. Workshop to finalize the Module:

Description of Activities

1. Work shop to Review the Module

A workshop was organized, to review the module whereby the objectives the experts worked in small groups and review the content and methodology for training of Peer educators. Each group would presented their comments and the observations on the module to the entire group. The suggestions were incorporated.

2. Workshop to finalize the Module

Second Workshop was conducted to finalize the module. The experts involved in the previous workshop finalized the module and sent for expert comments. The comments were reviewed by the core group and suggestions were incorporated. The Report and SOE are being sent to WHO.
